

Diving Board Rules

Diving Board Rules

- Only one person is allowed on the diving board at a time.
- Persons in line must wait until the previous diver has safely reached the pool ladder before climbing on the diving board.
- Only one bounce is permitted on the diving board.
- Divers must exit the diving area at the nearest side or ladder.
- Flotation devices are NOT permitted unless Coast Guard approved. Participants are not allowed to be caught by anyone.
- Safe diving must be practiced.
- No running, cartwheels or handstands on the diving board. Inward dives and multiple bounces are prohibited.
- Diver must dive straight out from the board.
