

## **JUNIOR TEAM TENNIS FALL 2010**

We are looking for players in middle school or high school (grades 7 to 12) that would be interested in playing on a USTA Junior Team for Shelby County beginning in September. The level of play will be advanced beginner to intermediate. There will be 6 or 7 matches (3 or 4 home matches at the FAC courts and the rest in Anderson County or in the Frankfort area).

Approximate cost: \$40 - \$45 (\$20 of this cost is for the required USTA membership dues. If the player already has an active USTA membership, they will only need to pay the league fee of approximately \$20-\$25.) This league fee covers the Team Tennis entry fee, the TennisLink user fee, Nike Dri-FIT team shirt, match balls, court fees for matches, end of season party, and awards.

Teams are co-ed. The number of players needed for a match is 4 boys and 4 girls. No more than 12 players per team.

A team match consists of five (5) individual matches with 4-game sets: One Boy's Singles; One Girl's Singles; One Boy's Doubles; One Girl's Doubles; and One Mixed Doubles.
